ARTICLE 1

CERTAIN MATTERS OF CONSTRUCTION AND DEFINITIONS

Certain matters of construction of this Agreement and the definition of capitalized terms used herein but not otherwise defined in Articles 1 through 9 are set forth in Schedule 1.

ARTICLE 2

THE PURCHASE AND SALE OF THE SHARES

2.1 Purchase of the Shares. Upon the terms and subject to the conditions set forth herein, at the closing of the Transactions (the “Closing”), Buyer shall purchase and acquire from each Seller, and each Seller shall sell and transfer to Buyer all of such Seller’s Shares for the consideration specified in Section 2.2, in each case, free and clear of any and all Encumbrances.

2.2 Purchase Price.

2.2.1 General. On the terms and subject to the conditions set forth herein, as full consideration for the Shares, Buyer shall pay an aggregate maximum purchase price of \$35,000,000, subject to adjustment pursuant to Sections 2.2.2(b) and 2.2.4, consisting of:

(a) \$27,000,000 (the "Initial Purchase Price"); and

(b) the amounts, up to an aggregate maximum of \$8,000,000, payable, if any, pursuant to Section 2.2.2(b) (collectively, the "Earnout Payments") (the Initial Purchase Price, subject to adjustments pursuant to Section 2.2.4, plus any Earnout Payments paid or payable hereunder are collectively referred to as the "Purchase Price").

2.2.2 Payment of Purchase Price. Buyer shall pay the Purchase Price as follows:

(a) At the Closing, Buyer shall pay the Initial Purchase Price, by wire transfers, as follows:

(i) an amount equal to (i) \$20,950,000 (ii) plus the amount if any, by which the Estimated Closing Working Capital (as defined below) exceeds \$2,800,000 or, as the case may be, less the amount by which \$2,800,000 exceeds the Estimated Closing Working Capital, to Sellers based on their Percentage Ownership;

(ii) \$2,700,000 to the Escrow Agent to hold and disburse pursuant to Section 6.3 and the Escrow Agreement ("Initial Purchase Price Escrow");

(iii) \$1,350,000 to the Escrow Agent to hold and disburse pursuant to Section 2.2.4.5 and the Escrow Agreement ("Working Capital Escrow"); and

(iv) \$2,000,000 to the Escrow Agent to hold and disburse pursuant to Section 2.2.2(b) and the Escrow Agreement ("Employment Acceptance Escrow").

(b) If the Employment Acceptance Condition is satisfied before 5:00 p.m., local time, on the 15th Business Day after the Closing Date, Buyer shall, within five Days after the date on which the Employment Acceptance Condition was satisfied, instruct the Escrow Agent to release and disburse the Employment Acceptance Escrow to Sellers based on their Percentage Ownership. If the Employment Acceptance Condition has not been satisfied as of 5:00 p.m., local time, on the 15th Business Day after the Closing Date, Sellers Representative shall, before

the 18th Business Day after the Closing Date, instruct the Escrow Agent to release and disburse the Employment Acceptance Escrow to Buyer, and the Purchase Price shall be deemed for all purposes hereunder to have been reduced by \$2,000,000.

(c) Depending on the Company's "Gross Profit", as defined below, Buyer shall pay to Sellers, based on their Percentage Ownership, Earnout Payments of up to \$8,000,000. If the Company's Gross Profit for the period from October 1, 2007 through September 30, 2008 (the "Earn-Out Period") is equal to or greater than \$17,764,902 (the "Target Gross Profit"), then Buyer shall pay to Sellers, based on their Percentage Ownership, \$8,000,000 (the "Full Earn-Out Amount"). If the Company's Gross Profit for the Earn-Out Period is less than the Target Gross Profit, but exceeds \$9,494,643 (the "Threshold Gross Profit"), Buyer shall pay to Sellers, based on their Percentage Ownership, an amount equal to the product of the Full Earn-Out Amount multiplied by a fraction, the numerator of which is an amount equal to the actual Gross Profit less the Threshold Gross Profit and the denominator of which is the Target Gross Profit less the Threshold Gross Profit. If the actual Gross Profit for the Earn-Out Period is less than the Threshold Gross Profit, no Earnout Payments shall be made. The Company's "Gross Profit" means the difference between the Company's gross revenue and the Company's direct costs (including direct labor, direct consultant, direct subcontract, and other direct costs, but excluding any corporate overhead allocations and any fringe benefit costs). Buyer shall record the Company's gross revenue and costs during the Earn-Out Period so as to permit the calculation of the Company's Gross Profit. Prior to the use by a business unit of Buyer or any of its Affiliates (excluding the Company) (each a "Business Unit") of any employee of the Company during the Earn-Out Period on projects where the revenue therefrom would not otherwise be included in the Company's gross revenue, the lead manager of such Business Unit and Sellers Representative or his designee shall negotiate in good faith and agree as to the portion of revenue generated by the utilization of such Company employee(s) (less applicable direct costs) on such Business Unit's project that would be attributed to the Company. Prior to the material and active participation of one or more employees of the Company during the Earn-Out Period in a bid, proposal, or other business development activity of a Business Unit, the lead manager of such Business Unit and Sellers Representative or his designee shall negotiate in good faith and agree as to the expected amount of labor hours of the Company's employees to be utilized on the resulting project(s), and as to the portion of revenue generated by such utilization of employee(s) of the Company (less applicable direct costs) on the resulting project(s) that would be attributed to the Company. If there is a dispute regarding the portion of revenue that would be attributed to the Company that cannot be resolved between Sellers Representative or his designee and the lead manager of such Business Unit, then the Buyer's Chief Operating Officer will make the final determination. Buyer agrees that any such revenue during the Earn-Out Period agreed to be allocated to the Company pursuant to this section shall be included in the Company's gross revenue for purposes of determining the Company's Gross Profit.

(d) Within 30 days after the date on which the Parent files a Form 10-Q for the quarter ending on or about September 30, 2008 with the U.S. Securities and Exchange Commission, the amounts, if any, due Sellers for the Earnout Payments shall be computed by Buyer and such computation, together with reasonably detailed support, shall be provided to the Sellers Representative. If within 30 days after delivery of such computation and support, Sellers Representative has not given Buyer notice of his objection to the computation (which notice must contain a statement in reasonable detail of the basis of any such objection), then such computation shall be final. If the Sellers Representative gives notice of an objection (the "Seller Objection"), the Parties shall use their respective best efforts to resolve any dispute by negotiation. If such dispute cannot be settled by negotiation within 30 days after Buyer's receipt of the Seller Objection, the dispute shall be resolved in accordance with the dispute resolution process set forth in Section 2.2.4.3. Earnout Payments, if any, shall be made within five Business Days after the finalization of the computation referred to in this Section 2.2.2.

2.2.3 Estimated Closing Statements. At least three Business Days prior to the Closing Date, the Company shall provide to Buyer in reasonable detail an estimated Closing Balance Sheet (the "Estimated Closing Balance Sheet") and an estimate of the Closing Working Capital (the "Estimated Closing Working Capital").

2.2.4 Adjustment to Purchase Price.

2.2.4.1 Working Capital. Within 90 days after the Closing Date, Buyer shall prepare or cause to be prepared and shall deliver to Sellers Representative in reasonable detail the Closing Balance Sheet and statement of Closing Working Capital (collectively the "Closing Statements").

2.2.4.2 Review of Closing Statements. Sellers Representative, upon receipt of the Closing Statements, shall (a) review the Closing Statements and (b) to the extent Seller Representative may deem necessary, make reasonable inquiry of Buyer and its accountants (if any are used) in respect of the preparation of the Closing Statements. Sellers Representative and its advisors shall have access upon prior notice and during normal business hours to review the books, papers and records of the Company and its accountants (if any are used), relating to the preparation of the Closing Statements in connection with such inquiry. The Closing Statements shall be final, binding and conclusive upon, and deemed accepted by, Sellers unless Sellers Representative shall have notified Buyer in reasonable detail of any Seller objections thereto within 30 days after receipt of the Closing Statements (the "Seller Objection").

2.2.4.3 Disputes. In the event of a Seller Objection, Buyer shall have 20 days to review and respond to the Seller Objection, and Buyer and Sellers Representative shall attempt to resolve the differences underlying the Seller Objection within 20 days following completion of Buyer's review of the Seller Objection. Disputes between Buyer and Sellers Representative that are not resolved by them within such 20-day period shall be referred no later than such 20th day for decision to an independent accounting firm of national reputation mutually acceptable to Buyer and Sellers Representative (the "Arbiter") who shall act as arbitrator and determine, based solely on presentations by Sellers Representative and Buyer and only with respect

to the remaining differences so submitted. If Buyer and Sellers Representative cannot agree upon the selection of the Arbiter within five Business Days, Beers & Cutler PLLC shall serve as the Arbiter hereunder. The Arbiter shall deliver its written determination as to whether and to what extent, if any, the Closing Statements require adjustment to Buyer and Sellers Representative no later than the 30th day after the remaining differences underlying the Seller Objection are referred to the Arbiter, or such longer period of time as the Arbiter determines is necessary. The Arbiter's determination pursuant to this Section 2.2.4 shall be final, conclusive and binding upon the Parties. The fees and expenses of the Arbiter will be borne by Buyer on one hand and Sellers, jointly and severally, on the other hand in proportion to the allocation by the Arbiter of the dollar amount of the disputed portion of the Working Capital Adjustment (as defined below), such that the prevailing Party (or Parties) pays a lesser proportion of such fees and expenses. Buyer and Sellers Representative shall make readily available to the Arbiter all relevant information, books and records and any work papers relating to the Closing Statements and all other items reasonably requested by the Arbiter. In no event may the Arbiter's resolution of any difference be for an amount which is outside the range of Buyer's and Sellers Representative's disagreement.

2.2.4.4 Final Closing Statements. Each of the Closing Statements shall become final, conclusive and binding upon the Parties upon the earliest of (a) Sellers Representative's failure to provide Buyer with a Seller Objection within the period permitted under Section 2.2.4.2, (b) the agreement between Buyer and Sellers Representative with respect thereto, and (c) the decision by the Arbiter with respect to any disputes under Section 2.2.4.3. The Closing Statements (i) as submitted to Sellers Representative with its failure to object thereto within the period permitted under Section 2.2.4.2, (ii) as adjusted pursuant to the agreement of Sellers Representative and Buyer or (iii) the decision of the Arbiter, shall constitute the final, conclusive and binding Closing Statements referred to herein as the "Final Closing Statements."

2.2.4.5 Working Capital Adjustment.

(a) The Purchase Price shall be adjusted as follows (any such adjustment, the "Working Capital Adjustment"):

(i) If the Final Closing Statements reflect Closing Working Capital ("Final Closing Working Capital") less than the Estimated Closing Working Capital, the Initial Purchase Price shall be decreased by the amount the Final Closing Working Capital is less than the Estimated Closing Working Capital ("Working Capital Decrease"); and

(ii) If the Final Closing Working Capital is more than the Estimated Closing Working Capital, the Initial Purchase Price shall be increased by the amount the Final Closing Working Capital is more than the Estimated Working Capital ("Working Capital Increase").

(b) Any Working Capital Adjustment shall be effected as follows:

ARTICLE 3

REPRESENTATIONS AND WARRANTIES OF THE COMPANY AND SELLERS

The Company and each Seller, jointly and severally, represent and warrant to Buyer as follows:

3.1 Corporate Status of the Company. The Company is a corporation duly organized, validly existing and in good standing under the laws of the State of Maryland with the requisite corporate power to own, operate and lease its properties and to carry on its business as currently being conducted. The Company is duly qualified or licensed to do business as a foreign corporation and is in good standing in all jurisdictions in which the character of the properties owned or held under lease by the Company or the nature of the business transacted by the Company makes qualification, respectively, necessary, except where failure to be so qualified would not have a Company Material Adverse Effect. All jurisdictions in which the Company is qualified to do business are set forth on Schedule 3.1.

3.2 Capital Stock of the Company.

3.2.1 Authorized Stock and Ownership. The authorized capital stock of the Company consists of 9,000 shares of common stock, without par value (the "Common Stock"), of which 9,000 shares are issued and outstanding. All of the outstanding Common Stock has been duly authorized and validly issued, was not issued in violation of any Person's preemptive rights, and is fully paid and nonassessable. Each of VZ, JS and PT owns of record and beneficially 3,000 Shares. Upon consummation of the Closing, Buyer will own all of the Company's outstanding capital stock, free and clear of any and all Encumbrances. Each Seller will, as of the Closing Date, have been a resident of the State of Maryland at all times during the period from December 31, 2005 through and including the Closing Date.

3.2.2 Options and Convertible Securities of the Company. Except as set forth on Schedule 3.2.2:

(a) there are no outstanding subscriptions, options, warrants, conversion rights or other rights, securities, agreements or commitments obligating the Company to issue, sell or otherwise transfer any of its capital stock, or any securities or obligations convertible into, or exercisable or exchangeable for, any Common Stock or other capital stock of the Company;

(b) since December 31, 2004, the Company has not issued, sold, or otherwise transferred any of its capital stock; and

(c) there are no voting trusts or other agreements or understandings to which the Company or either Seller is a party with respect to the voting of Common Stock, and the Company is not a party to or bound by any outstanding restrictions, options or other obligations, agreements or commitments to sell, repurchase, redeem or acquire any outstanding Common Stock or other equity securities of the Company.

3.3 Subsidiaries and Equity Ownership. The Company does not have any Subsidiaries and, except as set forth on Schedule 3.3, the Company does not otherwise own or have a contractual right or obligation to acquire any capital stock or other securities or equity of any Person.

3.4 Authority for Agreement; Noncontravention.

3.4.1 Authority. The Company has the corporate power and authority to enter into and deliver this Agreement, to perform its obligations hereunder and to consummate the Transactions to the extent of its obligations hereunder. Each of Sellers has full power and authority to enter into and deliver this Agreement, to perform his obligations hereunder and to consummate the Transactions. The execution and delivery of this Agreement by Sellers and the Company and their consummation of the Transactions, to the extent of their obligations hereunder, has been duly and validly authorized by the board of directors of the Company and no other corporate proceedings on the part of the Company are necessary to authorize the execution and delivery of this Agreement and the consummation of the Transactions, to the extent of their obligations hereunder. This Agreement and, when executed and delivered, the other agreements contemplated hereby to be signed by the Company and Sellers have been, or with respect to such other agreements, will be duly executed and delivered by the Company and Sellers and constitute valid and binding obligations of the Company and Sellers enforceable against the Company and Sellers in accordance with their terms.

3.4.2 No Conflict. Except as set forth on Schedule 3.4.2, neither the execution and delivery of this Agreement or the other agreements contemplated hereby to be signed by the Company and Sellers, nor the performance by the Company and Sellers of their respective obligations hereunder or thereunder, nor the consummation by the Company and Sellers of the Transactions, to the extent of their respective obligations hereunder or thereunder, will (a) in respect of the Company, conflict with or result in a violation of any provision of its articles of incorporation or by-laws (collectively, "Organizational Documents"), (b) except as set forth on Schedule 3.4.2, with or without the giving of notice or the lapse of time, or both, conflict with, or result in any violation or breach of, or constitute a default under, or result in any right to accelerate or result in the creation of any Encumbrance pursuant to, or right of termination under, any provision of any note, mortgage, indenture, lease, instrument or other agreement, permit, concession, grant, franchise, license, judgment, order, decree, statute, ordinance, rule or regulation to which the Company is a party or by which it or any of its assets or properties is bound or which is applicable to it or any of its assets or properties. No Governmental Authorization is necessary for the execution and delivery of this Agreement or any of the other agreements contemplated hereby to be signed by the Company or any Sellers and, except as set forth on Schedule 3.4.2, for the consummation of the Transactions by the Company and Sellers.

3.5 Financial Statements. Schedule 3.5 sets forth the balance sheets of the Company as of December 31, 2006 (the “Audited Balance Sheet”) and 2005, statements of income, retained earnings and cash flow of the Company for the fiscal years ended December 31, 2006 and 2005, as audited by Argy, Wiltse & Robinson, P.C., certified public accountants, and the unaudited balance sheet of the Company as of April 30, 2007 (the “Balance Sheet Date”) and the unaudited statements of income, retained earnings and cash flow of the Company for the four months ended April 30, 2007, and such balance sheets and statements of income, retained earnings and cash flow are accurate and complete. Collectively, the financial statements referred to in the immediately preceding sentence are sometimes referred to herein as the “Company Financial Statements,” and the Company’s balance sheet as of April 30, 2007 is referred to herein as the “Company Balance Sheet.” Each of the balance sheets included in the Company Financial Statements (including any related notes) fairly presents in all material respects the financial position of the Company as of its date, and the other statements included in the Company Financial Statements (including any related notes) fairly present, in all material respects, the statements of income, retained earnings and cash flow, as the case may be, of the Company for the periods therein set forth, in each case in accordance with GAAP subject, in the case of the Company’s unaudited balance sheet as of April 30, 2007, to normal year-end audit adjustments (all except as otherwise stated therein).

3.6 Absence of Material Adverse Changes. Since the Balance Sheet Date, the Company has not suffered any Company Material Adverse Effect, nor has there occurred or arisen any event, condition or state of facts of any character that could reasonably be expected to result in a Company Material Adverse Effect. Except as set forth on Schedule 3.6, since the Balance Sheet Date, there have been no dividends or other distributions declared or paid in respect of, or any repurchase or redemption by the Company of, any Common Stock or other capital stock of the Company, or any commitment relating to any of the foregoing.

3.7 Absence of Certain Liabilities. The Company has no liabilities or obligations, fixed, accrued, contingent or otherwise (collectively, “Liabilities”), that are material and not fully reflected or provided for on, or disclosed in the notes to, the Company Balance Sheet, except (a) executory obligations to provide services or products under Company Contracts entered into by the Company in the ordinary course of its business that are not in respect of any breach, violation or default by the Company thereunder, (b) Liabilities incurred in the ordinary course of business since the Company Balance Sheet Date, none of which individually or in the aggregate has had or could reasonably be expected to have a Company Material Adverse Effect, and (c) Liabilities expressly disclosed in Schedule 3.7. As of the Closing, the Company will have no Liability for borrowed money.

3.8 Books and Records. The books of account, minute books, stock record books and other records of the Company, all of which have been made available to Buyer, are complete and correct in all material respects. The actions reflected in the Company’s minute books are accurate and complete records of the meetings reported in such minute books and, except where the failure to do so will not have a Company Material Adverse Effect, no meeting of any Company stockholders, the Company’s board of directors (the “Company Board”) or committee of the Company Board has been held for which minutes have not been prepared and are not contained in such minute books. At the Closing, all of those books and records will be in the Company’s possession.

3.9 Accounts Receivable. All accounts receivable of the Company that are reflected on the Company Balance Sheet, the Closing Balance Sheet or on the Company's accounting records as of the Closing Date (collectively, the "Accounts Receivable") represented or represent valid obligations arising from sales actually made or services actually performed in the ordinary course of business. Unless paid prior to the Closing Date, the Accounts Receivable as shown on the Closing Balance Sheet are, or will be as of the Closing Date, collectible in full subject to any reserves therefor as set forth on the Closing Balance Sheet. There is no contest, claim or right of set-off, other than returns in the ordinary course of business, under any Company Contract with any obligor of an Accounts Receivable relating to the amount or validity of such Accounts Receivable. Schedule 3.9 contains a complete and accurate list of all Accounts Receivable as of April 30, 2007, including a list of the Accounts Receivable that are billed, a list of the Accounts Receivable that are unbilled and information regarding the aging of such Accounts Receivable.

3.10 Compliance with Applicable Laws, Organizational Documents. The Company has all requisite licenses, permits and certificates from all Governmental Entities (collectively, "Permits") necessary to conduct its business as currently conducted, and to own, lease and operate its properties in the manner currently held and operated, except for any Permits the absence of which, in the aggregate, do not and could not reasonably be expected to have a Company Material Adverse Effect or prevent or materially delay the consummation of the Transactions. All of the Company's Permits are in full force and effect. The Company is in compliance in all material respects with all the terms and conditions related to such Permits. There are no proceedings in progress, pending or, to the Company's Knowledge and Sellers' Knowledge, threatened, which may result in revocation, cancellation, suspension, or any material adverse modification of any of such Permits. The Company's business has not been since December 31, 2000, and is not currently being conducted in violation, in any material respect, of any Applicable Laws, Permits or other authorizations of any Governmental Entity. The Company is not in default or violation of any provision of its Organizational Documents.

3.11 Litigation and Audits. Except for any claim, action, suit or proceeding set forth on Schedule 3.11, (a) there is no investigation by any Governmental Entity with respect to the Company pending or, to the Company's Knowledge and Sellers' Knowledge, threatened, nor has any Governmental Entity indicated to the Company an intention to conduct the same; (b) there is no claim, action, suit, arbitration or proceeding pending or, to the Company's Knowledge and Sellers' Knowledge, threatened against or involving the Company, or any of its assets or properties, at law or in equity, or before any arbitrator or Governmental Entity and (c) there are no judgments, decrees, injunctions or orders of any Governmental Entity or arbitrator outstanding against the Company.

3.12.2 Payment of Taxes. The Company has paid in full all Taxes due on or before the Closing (whether or not shown on any Tax return) and, in the case of Taxes accruing for the period ending on or before the Closing that are not due on or before the Closing, the Company has made adequate provision (not including any provision for deferred Taxes established to reflect timing differences between book and Tax income) in the Company’s books and records and on the face of its financial statements (rather than in any notes thereto) for such payment. There are no Encumbrances on any of the assets of the Company that arose in connection with any failure (or alleged failure) to pay any Tax. Since December 31, 2000 the Company has not incurred any Liability for Taxes arising from extraordinary gain or loss as that term is used in GAAP, outside the ordinary course of its business. There is no material dispute or claim concerning any Tax Liability of the Company claimed or raised by any Governmental Entity in writing or, to the Company’s Knowledge or Sellers’ Knowledge, orally.

3.12.3 Withholding. The Company has withheld from each payment made or owing, and with respect to any distributive share of the Company’s income allocable, to any of its current or former employees, officers, directors, independent contractors, creditors, Sellers, or other third party all amounts required by Applicable Laws to be withheld and has, where required, remitted such amounts within the applicable periods to the appropriate Governmental Entities. All Forms W-2 and 1099 required to be filed by or on behalf of the Company have been properly completed and timely filed. The Company has timely paid all amounts required by Applicable Laws to be paid by the Company to any Governmental Entity in respect of taxation of any Seller on his distributive share of the Company’s income. Except as set forth in Schedule 3.12.3, no portion of the Purchase Price is subject to the Tax withholding provision of Section 3406 or Subchapter A of chapter 3 of the Code or of any other Tax law.

3.12.12 Unclaimed Property. The Company has no assets that may constitute unclaimed property under Applicable Laws. Without limiting the generality of the foregoing, the Company has established and followed procedures to identify any unclaimed property and, to the extent required by Applicable Laws, remit such unclaimed property to the respective Governmental Entity. 3.13.2 ERISA. Neither the Company nor any ERISA Affiliate of the Company has incurred any “withdrawal liability” calculated under ERISA Section 4211 and there has been no event or circumstance which would cause them to incur any such Liability. Neither the Company nor any ERISA Affiliate of the Company has ever maintained a Company Plan providing health or life insurance benefits to former employees, other than as required pursuant to Code Section 4980B or to any state law conversion rights. 3.13.3 Plan Determinations. Each Company Plan intended to qualify under Code Section 401(a) has either received a determination letter from the Internal Revenue Service (“IRS”) or is documented using a prototype or volume submitter plan document with respect to which the IRS has issued an opinion letter upon which the Company may reasonably rely to the effect that the Plan (or form of Plan document) so qualifies; copies of all such determination letters and opinion letters that have been received by the Company have been delivered to Buyer, and neither the Company nor any Seller has taken any action, or received any notification of any action taken by any other Person since the date of such determination letters or opinion letters that might cause the loss of such qualification or exemption. With respect to each Company Plan that is a qualified profit sharing plan, all employer contributions accrued for plan years ending prior to the Closing under the Company Plan terms and Applicable Laws have been made.

3.13.4 Funding. Except as set forth on Schedule 3.13.4:

3.13.5 Certain Other Matters. Except as reserved for on the Company Balance Sheet or the Final Closing Statements, the Company has no material Liability or material potential Liability and the Company will not have material Liability or material potential Liability, with regard to any Company Plan, as a result of any failure to perform non-discrimination testing on a Company Plan or any failure to amend a Company Plan pursuant to the legislation commonly known as “GUST” or the legislation commonly known as “EGTRRA.” All employee contributions, including elective deferrals, to the Company’s 401(k) Plan have been segregated from the Company’s general assets and, except as set forth on Schedule 3.13.5, deposited into the trust(s) established pursuant to the Company’s 401(k) Plan in a timely manner in accordance with the “plan asset” regulations of the Department of Labor.

3.13.6 Welfare Plans. With respect to any Company Plan that is an employee welfare benefit plan (within the meaning of Section 3(1) of ERISA) (a “Welfare Plan”), (a) each Welfare plan for which contributions are claimed by the Company as deductions under any provision of the Code is in material compliance with all applicable requirements pertaining to such deduction, (b) with respect to any welfare benefit fund (within the meaning of Code Section 419) related to a Welfare Plan, there is no disqualified benefit (within the meaning of Code Section 4976(b)) that would result in the imposition of a Tax under Code Section 4976(a), (c) any Company Plan that is a group health plan (within the meaning of Code Section 4980B(g)(2)) complies, and in each and every case has complied, with all of the applicable material requirements of COBRA, the Family Medical Leave Act of 1993, the Health Insurance and Portability and Accountability Act of 1996, the Women’s Health and Cancer Rights Act of 1996, the Newborns’ and Mothers’ Health Protection Act of 1996, and any similar provisions of state law or foreign law applicable to employees of the Company or any ERISA Affiliate of Company. None of the Company Plans promises or provides retiree medical or other retiree welfare benefits to any Person except as required by Applicable Laws, and neither the Company nor ERISA Affiliate of the Company has represented, promised or contracted (whether in oral or written form) to provide such retiree benefits to any employee, former employee, director, consultant or other Person, except to the extent required by Applicable Laws. No Company Plan or

employment agreement provides health benefits that are not insured through an insurance contract. Except as set forth on Schedule 3.13.6, each Company Plan is amendable and terminable unilaterally by the Company at any time without Liability to the Company as a result thereof and no Company Plan, plan documentation or agreement, summary plan description or other written communication distributed generally to employees by its terms prohibits the Company from amending or terminating any such Company Plan.

The Employee List is correct and complete as of the date of the Employee List. No third party has asserted in writing any claim, or, to the Company's Knowledge and Sellers' Knowledge, has any reasonable basis to assert any valid claim, against the Company that either the continued employment by, or association with, the Company of any of the current officers or employees of, or consultants to, the Company contravenes any agreements or Applicable Laws regarding unfair competition, trade secrets or proprietary information. The Company has provided to Buyer a list setting forth the salary and other compensation, as of the date hereof, of each Company employee listed on the Employee List.

This Agreement and, when executed and delivered, the other agreements contemplated hereby to be signed by Buyer or Parent have been or, when executed and delivered, will be duly executed and delivered by Buyer or Parent as the case may be, and constitute valid and binding obligations of Buyer or Parent as the case may be, enforceable against Parent and Buyer in accordance with their terms.

4.2.2 No Conflict. Neither execution and delivery of this Agreement by Parent and Buyer nor the performance by Parent and Buyer of their respective obligations hereunder, nor the consummation by Parent and Buyer of the Transactions will (a) conflict with or result in a violation of any provision of Buyer's or Parent's certificate of incorporation or by-laws, or (b) with or without the giving of notice or the lapse of time, or both, conflict with, or result in any violation or breach of, or constitute a default under, or result in any right to accelerate or result in the creation of any Encumbrance pursuant to, or right of termination under, any provision of any note, mortgage, indenture, lease, instrument or other agreement, Permit, concession, grant, franchise, license, judgment, order, decree, statute, ordinance, rule or regulation to which Buyer or Parent is a party or by which any of them or any of their respective assets or properties is bound or which is applicable to Buyer or Parent or any of its assets or properties. No authorization, consent or approval of, or filing with or notice to, any Governmental Entity is necessary for the execution and delivery of this Agreement by Parent and Buyer or the consummation by Parent and Buyer of the Transactions, except for such consents, authorizations, filings, approvals and registrations which if not obtained or made would not have a Buyer Material Adverse Effect.

4.3 Compliance with Applicable Laws. Each of Parent and Buyer is in compliance in all material respects with all Applicable Laws and with all rules and regulations of all national securities exchanges upon which Parent's stock is listed. All filings and disclosures made by Parent pursuant to the requirements of the Securities Act of 1933, as amended (the "Securities Act"), the Securities Exchange Act of 1934, as amended, or the rules or regulations of such national securities exchanges were true and correct in all material respects as of the time that they were made, except to the extent any were discovered to be incorrect and have been corrected by Parent in the manner required by the Applicable Law or exchange.

4.4 Financing. To Parent's and Buyer's Knowledge, no condition of the Parent or Buyer exists, as of the date hereof, that would reasonably be expected to prevent the Buyer from obtaining the funds necessary to finance the consummation of the Transactions.

4.5 Acquisition of Shares for Investment. Buyer is acquiring the Shares for investment and not with a view toward, or for sale in connection with, any distribution thereof, nor with any present intention of distributing or selling the Shares, and Buyer acknowledges that the Shares may not be sold, transferred, offered for sale, pledged, hypothecated or otherwise disposed of without registration under the Securities Act of 1933, as amended, except pursuant to an exemption from registration available under the Securities Act of 1933, as amended.

4.6 No Broker's or Finder's Fees. No finder, broker, agent, financial adviser or other intermediary has acted on behalf of Buyer or Parent in connection with the negotiation or consummation of this Agreement or the Transactions and neither the Company nor any Seller will have any Liability to any such Persons entitled to any fee, payment, commission or other consideration in connection therewith as a result of any arrangement made by Buyer or Parent.

4.7 Litigation. As of the date hereof, no action arbitration, suit, proceeding or investigation against Buyer or Parent is pending, or, to Parent's and Buyer's Knowledge, threatened against Buyer or Parent, that would materially interfere with Buyer's and Parent's ability to consummate the Transactions.

ARTICLE 6

ADDITIONAL AGREEMENTS

6.1 Exclusivity. During the Pre-Closing Period neither the Company nor any Seller will, directly or indirectly, through its respective Affiliates, agents, officers and directors, directly or indirectly, solicit, initiate, or participate in discussions, negotiations or otherwise cooperate in any way with, or provide any information, to any Person or group concerning, or enter into any letter of intent, agreement in principle or agreement, definitive or otherwise, with respect to, any tender offer, exchange offer, merger, business combination, sale of substantial assets, sale of the Shares or any other capital stock of the Company, or similar transaction involving the Company.

6.2 Expenses. Except as otherwise provided in Sections 6.3 and 9.1.2, each Party shall be responsible for its own costs and expenses in connection with the Transactions, including fees and disbursements of consultants, investment bankers and other financial advisers, counsel and accountants.

6.3 Indemnification.

6.3.1 Indemnification of Buyer Indemnified Parties. Subject to this Section 6.3, from and after the Closing Date, Sellers shall, severally and jointly indemnify, defend and hold harmless, without duplication, Buyer and Parent and their respective directors, officers, employees, representatives, successor and assigns (collectively “Buyer Indemnified Parties”) in respect of, and Buyer Indemnified Parties shall be entitled, without duplication, to payment and reimbursement from Sellers, jointly and severally (collectively the “Buyer Indemnifying Parties”) of the amount of, all Losses suffered, incurred or paid by any Buyer Indemnified Party, by reason of, in whole or in part, or arising from, in whole or in part, (a) any breach by any Seller of any covenant, agreement or obligation in this Agreement (whether to be performed before, on or after the Closing Date) or by the Company of any covenant, agreement or obligation in this Agreement to be performed by the Closing Date, (b) any misrepresentation or inaccuracy in, or breach of, any representation or warranty made by the Company or any Seller in this Agreement or the certificates delivered pursuant Section 7.2.1, or (c) any Covered Claims. Notwithstanding anything herein to the contrary, in determining if there is a misrepresentation or inaccuracy in, or a breach of, a representation or warranty in Article 3 or a certificate given pursuant to Section 7.2.1, each representation, warranty or certificate referenced in clause (b) of the

immediately preceding sentence shall read as if all Materiality Qualifications and qualifications as to Company's Knowledge and Sellers' Knowledge contained in any such representation or warranty in Article 3 or in any certificate delivered pursuant to Section 7.2.1 are ignored.

6.3.2 Indemnification of Seller Indemnified Parties. Subject to this Section 6.3 from and after the Closing Date, Buyer and Parent shall, jointly and severally indemnify, defend and hold harmless, without duplication, each Seller and their respective heirs, estates and successors (collectively "Seller Indemnified Parties") in respect of, and Seller Indemnified Parties shall be entitled, without duplication, to payment and reimbursement from Buyer and its Parent, jointly and severally, and their respective successors and assigns (collectively the "Buyer Indemnifying Parties") of the amount of, all Losses suffered, incurred or paid by any Seller Indemnified Party by reason of, in whole or in part, or arising from, in whole or in part, (a) any breach by either Buyer or Parent of any covenant, agreement or obligation of either of Buyer or Parent in this Agreement to be performed on or after the Closing and (b) any misrepresentation or inaccuracy in, or breach of any, representation or warranty contained in Article 4 or in the certificate delivered pursuant to Section 7.3.1.

6.3.3 Claims for Indemnification. Upon a Person entitled to indemnification under Section 6.3 ("Indemnified Party") obtaining reasonably sufficient knowledge of any facts, claim or demand which has given rise to, or would reasonably give rise to, a claim for indemnification hereunder (referred to herein as an "Indemnification Claim"), such Indemnified Party shall promptly thereafter give notice of such facts, claim or demand ("Notice of Claim") to the Party from whom indemnification is sought under this Section 6.3 (the "Indemnifying Party"). So long as the Notice of Claim is given by the Indemnified Party in the claims period specified in Section 6.3.6, no failure or delay by the Indemnified Party in the giving of a Notice of Claim shall reduce or otherwise affect the Indemnified Party's right to indemnification except to the extent, if any, that the Indemnifying Party has been materially prejudiced thereby.

6.3.4 Defense by Indemnifying Party.

(a) If a claim or demand is asserted by a third Person against an Indemnified Party (a "Third Party Claim"), the Indemnifying Party shall, except as otherwise provided in Section 6.3.4(b), have the right, but not the obligation, exercisable by notice to the Indemnified Party within 10 days of the date of the Notice of Claim concerning the commencement or assertion of any Third Party Claim, to assume the defense of such Third Party Claim.

(b) The Buyer Indemnifying Parties shall not have such right or opportunity to assume and control the defense of any such Third Party Claim, but shall have the right to participate in the defense of such Third Party Claim and shall pay the reasonable fees and expenses of counsel retained by the Buyer Indemnified Party in respect of the Third Party Claim if (i) such Third Party Claim relates to, or arises in connection with, any criminal proceeding, civil action, indictment, or investigation by any Governmental Entity other than inquiries or audits in the

ordinary course of business, (ii) such Third Party Claim alleges Losses in excess of the then available funds held in Escrow (after deducting the full amount of all pending Indemnification Claims), (iii) the Buyer Indemnified Party reasonably believes that an adverse determination with respect to such Third Party Claim would be detrimental to the Buyer Indemnified Party's reputation or continuing business interests, (iv) such Third Party Claim seeks an injunction or other equitable relief against the Buyer Indemnified Party, or (v) the Buyer Indemnifying Parties fail to conduct the defense of such Third Party Claim actively and diligently.

(c) If the Buyer Indemnified Party assumes and controls the defense of a Third Party Claim pursuant to Section 6.3.4(b), the Buyer Indemnified Party shall permit the Buyer Indemnifying Parties to participate in the defense of such claim, to have reasonable access to all documents and personnel involved in such claim and to discuss its views and positions with the Buyer Indemnified Party. The Buyer Indemnified Party agrees, in connection with any such Third Party Claim, to work cooperatively and in good faith with the Buyer Indemnifying Parties consistent with the best interest of the Buyer Indemnified Party.

(d) If the Indemnifying Party is entitled under this Section 6.3.4 to assume the defense of the respective Third Party Claim and gives such notice of intent to defend, the Indemnifying Party shall assume the defense thereof as follows: (i) the Indemnifying Party will defend the Indemnified Party against the matter with counsel compensated by and chosen by Indemnifying Party, which choice of counsel is subject to the reasonable satisfaction of Indemnified Party; (ii) the Indemnified Party may retain separate co-counsel at the sole cost and expense of Indemnified Party; (iii) the Indemnified Party will not consent to the entry of any judgment or enter into any settlement with respect to the matter without the consent of the Indemnifying Party; and (iv) the Indemnifying Party will not consent to the entry of any judgment with respect to the matter, or enter into any settlement that does not include a provision whereby the plaintiff or claimant in the matter releases the Indemnified Party from all Liability with respect thereto, without the consent of the Indemnified Party, which consent shall not be unreasonably withheld or delayed if such settlement only requires the payment by one or more Indemnifying Parties of a monetary amount, does not include a statement as to admission of fault, culpability or failure to act by or on behalf of such Indemnified Party, and the Indemnified Party could not reasonably believe that the settlement would be detrimental to the Indemnified Party's reputation or continuing business.

(e) If a Third Party Claim is made and no Indemnifying Party notifies the Indemnified Party within 10 days after the Indemnified Party has given notice of the matter that the Indemnifying Party is assuming the defense thereof, the Indemnified Party shall defend against, or enter into any settlement with respect to the matter. The Indemnified Party shall not settle such Third Party Claim without the prior consent of the Indemnifying Party, which consent shall not be unreasonably withheld or delayed.

6.3.5 Limitation on Liability for Indemnification.

6.3.5.1 Buyer Indemnity Deductible. Except for Share Ownership Claims and Indemnification Claims in respect of Sections 3.12 or 3.13 or based on intentional acts, willful misconduct or fraud, the Buyer Indemnified Parties shall not be entitled to indemnification pursuant to this Section 6.3 in respect of a misrepresentation or inaccuracy in, or breach of, a representation or warranty in Article 3 or in the certificates delivered pursuant Section 7.2.1 until the aggregate amount of all Losses suffered, incurred or paid by one or more Buyer Indemnified Parties exceeds \$200,000 (the “ Buyer Indemnity Deductible”) whereupon the Buyer Indemnified Parties shall be entitled to indemnification for all Losses in excess of the first \$100,000 of the Buyer Indemnity Deductible, subject to the limitations otherwise set forth in this Section 6.3.

6.3.5.2 Certain Caps on Indemnification Liability. Except for Share Ownership Claims, Indemnification Claims in respect of Sections 3.12 or 3.13 and claims based on intentional acts, willful misconduct or fraud, the aggregate Liability of Sellers under this Section 6.3 in respect of a misrepresentation or inaccuracy in, or breach of, any representation or warranty in Article 3 or in the certificates delivered pursuant Section 7.2.1 shall not exceed the sum of (i) 15% of the Purchase Price and (ii) the amount, if any, paid or payable from the Initial Purchase Price Escrow for any one or more Share Ownership Claims, Indemnification Claims in respect of Sections 3.12 or 3.13 or for claims based on intentional acts, willful misconduct or fraud. Furthermore, until the Initial Purchase Price Escrow, minus the amount of pending Indemnification Claims against such funds under this Section 6.3 is not greater than zero, Buyer Indemnified Parties shall only be entitled under this Section 6.3 in respect of a misrepresentation or inaccuracy in, or breach of, any representation or warranty in Article 3 or in the certificates delivered pursuant Section 7.2.1 for the satisfaction of their Indemnification Claims to payments from the Initial Purchase Price Escrow. Notwithstanding anything herein to the contrary, the aggregate Liability of Buyer and Parent to Seller Indemnified Parties hereunder shall not exceed 100% of the Purchase Price.

6.3.6 Claims Period and Initial Purchase Price Escrow.

(a) Except for (i) Share Ownership Claims, (ii) Indemnification Claims in respect of Sections 3.12 or 3.13 and (iii) Indemnification Claims based on intentional acts, willful misconduct or fraud, any Indemnification Claim in respect of a misrepresentation or inaccuracy in, or breach of, any representation or warranty in Article 3 or Article 4, or in any certificate delivered pursuant to Section 7.2.1 or 7.3.1 must be asserted by notice on or before the 183rd day after the first Closing Date Anniversary. Any (i) Share Ownership Claim, (ii) Indemnification Claims in respect of Sections 3.12 or 3.13, (iii) Indemnification Claims based on breach of a covenant, agreement or obligation hereunder, and (iv) Indemnification Claims based on intentional acts, willful misconduct or fraud must be made before the expiration of the applicable statute of limitation for the respective claims.

(b) Any Buyer Indemnified Party entitled to payment for an Indemnification Claim under this Section 6.3 shall be entitled to such payment from the Initial Purchase Price Escrow, provided that as of 5:00 p.m. Washington D.C. time on the 184th Day after the Closing Date Anniversary, any remaining balance of the Initial Purchase Price Escrow, less the amount of any pending Indemnification Claim of one or more Buyer Indemnified Parties shall be disbursed and released to Sellers Representative pursuant to the Escrow Agreement.

6.3.7 Subrogation. Upon making an indemnity payment pursuant to this Section 6.3, the Indemnifying Party will, to the extent of such payment, be subrogated to all rights of the Indemnified Party against any third party in respect of the damages to which the payment is related. Without limiting the generality of any other provision hereof, each such Indemnified Party and Indemnifying Party will duly execute upon request all instruments reasonably necessary to evidence and perfect the above described subrogation rights.

6.3.8 Exclusive Remedies. If the Closing occurs, the remedies provided for in this Section 6.3 shall be, except as otherwise provided in Sections 6.7 and 6.13, the sole and exclusive remedies of the Parties and their respective officers, directors, employees, agents, representatives, successors and assigns for any breach of or inaccuracy in any representation or warranty contained in this Agreement or any certificate delivered at Closing, provided, however, that nothing herein is intended to waive any claims for intentional acts, willful misconduct or fraud or waive any equitable remedies to which a Party may be entitled.

6.3.9 Right of Offset. Buyer may offset any amount to which Buyer is entitled under this Article 6 against any amounts otherwise payable hereunder by Buyer to one or more Sellers, including Earnout Payments and any and all other payments pursuant to Section 2.2.

6.3.10 Calculation of Losses. Without creating any obligation of the Indemnified Parties to pursue the receipt of proceeds referenced in clauses (a) or (b) below or otherwise increasing the obligations of the Indemnified Parties hereunder, the Losses associated with any Indemnified Claim shall be reduced by (a) the amount of the cash value of any insurance proceeds received by the Indemnified Party, net of associated costs and expenses relating to the collection of the same; and (b) any other compensatory payments actually received by the Indemnified Party from any other Persons by way of subrogation, indemnification, guarantee or similar mechanism with respect to the Losses for which indemnification is claimed, net of associated costs and expenses relating to the collection of such payments.

6.3.11 Treatment of Indemnity Payments Between the Parties. Unless otherwise required by Applicable Laws, all indemnification payments shall constitute adjustments to the Purchase Price for all Tax purposes, and no Party shall take any position inconsistent with such characterization.

6.4 Access and Information. The Company shall afford to Buyer and its officers, employees, accountants, counsel and other authorized representatives and advisors full and complete access, upon during regular business hours, throughout the Pre-Closing Period, to the Company's offices, properties, books and records, and shall use reasonable efforts to cause its representatives and independent public accountants to furnish to Buyer such additional financial and operating data and other information as to its business, customers, vendors and properties as Buyer

may from time to time reasonably request. Notwithstanding the foregoing, all visits to any Company office will be coordinated and conducted so as to not be disruptive to the Company's operations and to preserve the confidentiality of the Transactions. In addition, with the Company's prior consent (which consent shall not be unreasonably withheld or delayed), Buyer shall be permitted to meet with the Company's significant customers.

6.5 Public Disclosure and Confidentiality. Except as otherwise required by Applicable Laws and, with respect to Buyer and Parent, the applicable rules, policies and procedures of a national securities exchange, no Party shall announce or disclose to any other Person (other than those employees, agents, advisors or representatives who have a need to know to effectuate the Transactions) the existence or the terms or conditions of this Agreement or the Transactions without the prior consent of the other Parties (which shall not be unreasonably withheld). Except as disclosure may be required by Applicable Laws, any press release or other public disclosure of information regarding the proposed Transactions (including the negotiations with respect to the Transactions and the terms and existence of this Agreement) shall be developed by Parent, subject to the Company's and Sellers' review.

6.6 Further Assurances.

6.6.1 Generally. Subject to terms and conditions herein provided and to the fiduciary duties of the board of directors and officers or representatives of any Party, each of the Parties agrees to use its commercially reasonable efforts to take, or cause to be taken, all action and to do, or cause to be done, all things necessary, proper or advisable under Applicable Laws to consummate and make effective this Agreement and the Transactions. In case at any time any further action, including the obtaining of any required Governmental Entity approvals, and waivers and consents under any agreements, material contracts or leases and the execution and delivery of any licenses or sublicenses for any software, is necessary, proper or advisable to carry out the purposes of this Agreement, the proper officers and directors or representatives of each Party to this Agreement are hereby directed and authorized to use their reasonable best efforts to effectuate all required action.

6.6.2 Consents. Each Party agrees to use its best reasonable efforts to obtain the Consents before the Closing, and further agrees to provide all documentation necessary to effect each Consent, including all instruments, certifications, requests, legal opinions, audited financial statements, and other documents required or appropriated to obtain Consents. In particular and without limiting the generality of the foregoing, the Company shall continue to communicate with responsible officers of the United States Government from time to time as may be appropriate and permissible, to request speedy action on any and all requests for the Consents.

6.7 Tax Matters.

6.7.1 Tax Returns. Sellers shall prepare or cause to be prepared, and timely file or cause to be timely filed, all Tax returns for the Company for all periods ending on or prior to the Closing Date. Sellers shall permit Buyer to review and comment on each such Tax Return described in the preceding sentence prior to filing. Sellers shall, jointly and severally, pay and otherwise have Liability for all Taxes of the Company in respect of all taxable periods ending on or prior to the Closing Date and the portion through the end of the Closing Date for any taxable period that includes, but does not end on, the Closing Date (“Pre-Closing Tax Period”) in excess of the amounts shown as an accrual or reserve for such Taxes on the face of the Final Closing Balance Sheet.

6.7.2 Straddle Period. If any taxable period includes (but does not end on) the Closing Date (a “Straddle Period”), the amount of any Taxes based on or measured by income or receipts of the Company for the Pre-Closing Tax Period shall be determined based on an interim closing of the books as of the close of business on the Closing Date and the amount of other Taxes of the Company for a Straddle Period that relates to the Pre-Closing Tax Period shall be deemed to be the amount of such Tax for the entire taxable period multiplied by a fraction in the numerator of which is the number of days in the taxable period ending on the Closing Date and the denominator of which is the number of days in such Straddle Period.

6.7.3 Cooperation on Tax Matters

(a) The Parties shall cooperate fully, as and to the extent reasonably requested by the other Party, in connection with the filing of Tax returns and any audit, litigation or other proceeding with respect to Taxes, or in connection with the preparation or review of any Tax accrual or similar workpapers related to the activities of the Company on or before the Closing Date, including those relevant to compliance with FASB Interpretation No. 48. Such cooperation shall include the retention and (upon the other Party’s request) the provision of records and information reasonably relevant to any such audit, litigation, or other proceeding or to the preparation or review of such workpapers and making employees available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder. The Company, Buyer and Sellers agree (i) to retain all books and records with respect to Tax matters (including relevant to the preparation or review of Tax accrual workpapers) pertinent to the Company relating to any taxable period beginning before the Closing Date until expiration of the statute of limitations (and any extensions thereof) of the respective taxable periods, and to abide by all record retention agreements entered into with any taxing authority, and (ii) to give Sellers reasonable notice prior to transferring, destroying or discarding any such books and records and, if Sellers Representative so requests, allow Sellers Representative to take possession of such books and records.

(b) Subject to Applicable Laws, the Parties further agree, upon request, to use their reasonable commercial efforts to obtain any certificate or other document from any Governmental Entity or any other Person as may be necessary to mitigate, reduce or eliminate any Tax that could be imposed (including with respect to the Transactions).

6.7.4 Certain Taxes. All transfer, documentary, sales, use, stamp, registration Taxes and fees payable in respect of the purchase and sale of the Shares hereunder shall be paid by the Buyer to the extent, if any, required of Buyer by Applicable Laws, and by Sellers to the extent, if any, required of Sellers by Applicable Laws.

6.7.5 Certain Withholding Taxes. Notwithstanding anything herein to the contrary, if the Company is required by Applicable Laws to withhold Taxes with respect to any portion of the Company's income allocable to one or more Sellers, in connection with the Taxable period of the Company ending on the day before the Closing Date or otherwise, which amount has not previously been withheld from amounts previously or concurrently distributed to such Seller, such Seller shall reimburse the Company for such amount, including for any penalties or interest with respect thereto, no later than the date(s) on which any such amount(s) are paid by the Company to the applicable Governmental Entity.

Subject to and effective as of consummation of the Closing, each Seller hereby remises, releases and forever discharges the Company and its successors and assigns of and from any and all manner of action and actions, cause and causes of actions, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, specialties, covenants, contracts, controversies, executions, claims and demands of any kind and nature whatsoever in law or in equity known or unknown against the Company which Sellers ever had or may have up until immediately preceding the Closing, including any claims to any commissions or any portion of the revenue or profits of the Company or any equity interest in the Company, except (a) any and all indemnification and other rights, benefits and claims of any Seller under the Company's Organizational Documents not in respect of any breach by the Company or one or more Sellers of any representations, warranties, covenants, obligations or agreements contained herein, and (b) any rights, benefits and claims of any Seller under this Agreement or any documents, instruments or certificates delivered in connection with the consummation of the Transactions.

6.9 Regulatory Filings. During the Pre-Closing Period, each of the Parties shall coordinate and cooperate with one another and shall each use reasonable best efforts to comply with, and shall refrain from taking any action that would impede compliance with, all Applicable Laws, and, as promptly as practicable after the date hereof, each of the Parties shall make all filings, notices, petitions, statements, registrations, submissions or information, application or submission of other documents required by any Government Entity in connection with the Transactions, including any filing or registration necessary to obtain any material consent, authorization or approval or otherwise required or advisable to consummate the Transactions. Each Party shall cause all documents that it is responsible for filing with any Government Entity under this Section 6.9 to comply in all material respects with all Applicable Laws.

6.10 Exchange Information. During the Pre-Closing Period, each of the Parties shall promptly supply the others with any information which may be required to effectuate any filings or application pursuant to Sections 6.9 or 6.11. Except where prohibited by Applicable Laws, each of the Parties shall consult with the other Parties prior to taking a position with respect to any such

filing, shall permit the other to review and discuss in advance, and consider in good faith the views of the other in connection with any analyses, appearances, presentations, memoranda, briefs, white papers, arguments, opinions and proposals before making or submitting any of the foregoing to any Governmental Entity by or on behalf of any Party in connection with any investigations or proceedings in connection with this Agreement or the Transactions (including under any antitrust or fair trade Applicable Laws), coordinate with the other in preparing and exchanging such information and promptly provide the other (and its counsel) with copies of all filings, presentations or submissions (and a summary of any oral presentations) made by such party with any Governmental Entity in connection with this Agreement or the Transactions; provided that, with respect to any such filing, presentation or submission, no Party need supply the other (or its counsel) with copies (or, in case of oral presentations, a summary) to the extent that Applicable Laws require such Party to restrict or prohibit access to any such properties or information.

6.11 Notification. During the Pre-Closing Period, each of the Parties will notify the other promptly upon the receipt of: (a) any comments from any officials of any Governmental Entity in connection with any filings made pursuant hereto, and (b) any request by any officials of any Governmental Entity for amendments or supplements to any filings made pursuant to, or information provided to comply in all material respects with, any Applicable Laws. Whenever any event occurs that is required to be set forth in an amendment or supplement to any filing made pursuant to Section 6.9, the respective Party will promptly inform the other Party of such occurrence and cooperate in filing with the applicable Governmental Entity such amendment or supplement.

6.12 Sellers Representative.

6.12.1 Appointment. To administer efficiently the defense or settlement of any claims for which any Seller may be required to indemnify pursuant to Section 6.3, and any other actions required to be taken by any Seller in connection herewith after the Closing, each Seller after the Closing Date hereby designates and appoints JS as his representative and attorney-in-fact (in such capacity, "Sellers Representative"). Sellers will, based on their Percentage Ownership, reimburse Sellers Representative for its costs in performing its duties hereunder.

6.12.2 Authority. By their execution of this Agreement, each Seller, among other things, agrees that:

(a) Buyer Indemnified Parties shall be able to rely conclusively without further inquiry on the instructions and decisions of Sellers Representative acting in such capacity as to the settlement of any claims for indemnification by any one or more Buyer Indemnified Parties pursuant to Section 6.3 and as to any other action taken by Sellers Representative hereunder, and no Seller shall have any cause of action against Buyer Indemnified Parties for any action taken by any one or more Buyer Indemnified Parties in reliance upon the instructions or decisions of Sellers Representative;

(b) all actions, decisions and instructions of Sellers Representative shall be conclusive and binding upon all Sellers; and

(c) without limiting the foregoing, Sellers Representative is authorized:

- (i) to receive and to accept on each Seller's behalf any notice from any Person claiming to be a Buyer Indemnified Party given in accordance with this Agreement (and any notice given Sellers Representative shall be deemed to have been given to each Seller);
- (ii) to give each on Seller's behalf any notice, representation, demand, or other communication that it may be necessary, desirable, or otherwise appropriate to give to secure and to preserve for each Seller the benefit of any policy or policies of insurance, surety, indemnification, or other reimbursement for any amount for which any Seller may be liable directly or indirectly under this Agreement; and
- (iii) to cooperate with any and all Buyer Indemnified Parties to investigate, negotiate, settle, and compromise any claim of any Buyer Indemnified Party asserted under this Agreement, and to execute on any Seller's behalf any agreement, instrument, or other document that, in the sole discretion of Sellers Representative, is necessary, desirable, or otherwise appropriate to effect any such settlement or compromise;

provided, however, that Sellers Representative shall have no Liability to any Buyer Indemnified Party otherwise than and to the extent of its individual Liability as a Seller hereunder.

6.13 Certain Post-Closing Covenants.

6.13.1 Confidentiality. If the Closing occurs, each Seller agrees that during the period from the Closing Date to and including the third Closing Date Anniversary, such Party will not disclose or use, directly or indirectly, any Confidential Information, except pursuant to a subpoena, order or request issued by a court of competent jurisdiction or by another Government Entity, or as otherwise required by Applicable Laws. If this Agreement terminates without the Closing occurring, each Party agrees that during the period commencing with the date of such termination and ending on the second anniversary thereof it shall not, except to the extent otherwise required by Applicable Law, directly or indirectly disclose or use any Confidential Information obtained from another Party pursuant hereto. If a receiving Party becomes legally compelled to disclose any of the Confidential Information, such Party will provide the disclosing Party with prompt notice so that the disclosing Party may seek a protective order or other appropriate remedy or waive compliance with the provisions of this Section 6.13.1. If such protective order or other remedy is not obtained, or the disclosing Party waives compliance with the provisions of this Section 6.13.1, the receiving Party will furnish only that portion of the Confidential Information which, in the judgment of its counsel, is legally required.

6.13.2 Injunctive Relief For Breach. Each Party's obligations under this Section 6.13 are of a unique character that gives them particular value, and a breach of any of such obligations will result in irreparable and continuing damage to the Company or Buyer, as applicable, for which there will be no adequate remedy at law. Accordingly,

without limiting any Party's obligations under Section 6.3, in the event of such breach, each Seller agrees that the Company or Buyer, as applicable will be entitled to injunctive relief and a decree for specific performance, and such other and further relief as may be proper (including monetary damages if appropriate).

6.14 Seller's Right of Review. Sellers Representative and its advisers shall have access upon prior notice and during normal business hours to the books, papers and records of the Company and its accountants (if any are used) relating to the calculation of any amount due any Seller pursuant to clauses (b), (c) and (d) of Section 2.2.2. Also, upon reasonable notice to the Company, Sellers Representative, with the assistance of its advisors, may conduct an examination of Company's books and records in respect to the calculation of any amount due to Sellers pursuant to clauses (b), (c) and (d) of Section 2.2.2. Such rights of access and examination set forth above in this Section 6.14 shall terminate in respect of any payment paid or payable pursuant to clauses (b), (c) and (d) of Section 2.2.2 on the 90th day after the earlier of the date such payment was due or paid pursuant to clauses (b), (c) and (d) of Section 2.2.2.

6.15 Employment Acceptance Condition. During the 15 Business Days following the Closing Date, the following persons shall manage the process of seeking to satisfy the Employment Acceptance Condition: JS, PT and Susan Carlson. Such process shall include all direct contact with the Company's full time direct billable employees with respect to the Employment Acceptance Condition. Buyer's or Parent's human resources staff shall coordinate in advance any contact with such employees during such 15-Business Day period.

OTHER PROVISIONS

9.1 Termination

9.1.1 Termination Events. This Agreement may be terminated and the Transactions abandoned at any time prior to the Closing as follows:

(a) by mutual consent of Buyer and the Company;

(b) by Buyer if there has been a breach of any representation, warranty, covenant, obligation or agreement contained in this Agreement on the part of the Company or any Seller and such breach has not been cured within 10 Business Days after notice to the Company (provided that neither Buyer nor Parent is in material breach of this Agreement, and provided further, that no cure period shall be required for a breach which by its nature cannot be cured with such 10 Business Days) such that the conditions set forth in Section 7.2.1 or Section 7.2.2, as the case may be, will not be satisfied;

(c) by the Company if there has been a breach of any representation, warranty, covenant, obligation or agreement contained in this Agreement on the part of Buyer or Parent, and such breach has not been cured within 10 Business Days after notice to Buyer (provided, that neither the Company nor any Seller is in material breach of this Agreement, and provided further, that no cure period shall be required for a breach which by its nature cannot be cured within such 10 Business Days) such that the conditions set forth in Section 7.3.1 or Section 7.3.2, as the case may be, will not be satisfied;

(e) by any Party if the Closing shall not have been consummated by 90th day after the date hereof, provided that the right to terminate this Agreement under this Section 9.1(e) shall not be available to any Party whose failure to fulfill any material obligation under this Agreement has been the cause of, or resulted in, the failure of the Closing Date to occur on or before such date.

9.3 Entire Agreement. Unless otherwise herein specifically provided, this Agreement, including the Schedules and Exhibits, and the documents and instruments and other agreements among the Parties as contemplated by or referred to herein constitute the entire agreement among the Parties with respect to the subject matter hereof, and supersede all other prior agreements and understandings, both written and oral, between the Parties with respect to the subject matter hereof, including the letter of intent dated May 22, 2007 among Parent, the Company and Sellers, as amended. Each Party acknowledges that, in entering this Agreement and consummating the Closing, such Party is not relying on any representation, warranty, covenant, obligation or agreement not expressly stated in this Agreement or in the certificates of or agreements among the Parties contemplated by or referred to herein.

9.4 Assignability. This Agreement is not intended to confer upon any Person other than the Parties any rights or remedies hereunder, except as otherwise expressly provided herein. Neither this Agreement nor any of the rights and obligations of the Parties hereunder shall be assigned or delegated without the consent of all Parties, except that Buyer and Parent may assign its rights to indemnification hereunder to one or more of its lenders.

9.5 Validity. The invalidity or unenforceability of any provisions of this Agreement shall not affect the validity or enforceability of any other provisions of this Agreement, each of which shall remain in full force and effect.

9.6 Specific Performance. The Parties acknowledge that damages alone may not adequately compensate a Party for violation by another Party of this Agreement. Accordingly, in addition to all other remedies that may be available hereunder or under Applicable Laws, any Party shall have the right to any equitable relief that may be appropriate to remedy a breach or threatened breach by any other Party hereunder, including the right to enforce specifically the terms and conditions of this Agreement by obtaining injunctive relief in respect of any violation or non-performance hereof.

9.7 Joint and Several Liability. Notwithstanding anything herein to the contrary, for all purposes of this Agreement, each Seller agrees that he or it shall be deemed to have made herein all of the representations and warranties made by the other Seller herein or otherwise pursuant hereto and is jointly and severally liable for the obligations, agreements and covenants of the other Seller herein. Parent agrees that it shall be jointly and severally liable for the representations, warranties, obligations, agreements and covenants of Buyer hereunder.

9.8 U.S. Currency. All amounts payable hereunder shall be paid in United States dollars.

9.9 Governing Law. This Agreement shall take effect and shall be construed as a contract under the laws (excluding conflict of law rules and principles) of the Commonwealth of Virginia.

9.10 Counterparts. This Agreement may be executed in one or more counterparts, all of which together shall constitute one and the same agreement.

9.11 Waiver. The rights and remedies of the Parties are cumulative and not alternative. Neither the failure nor any delay by any Party in exercising any right, power or privilege under this Agreement will operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power or privilege will preclude any other or further exercise of such right, power or privilege or the exercise of any other right, power or privilege. To the maximum extent permitted by Applicable Laws, (a) no claim or right arising out of this Agreement can be discharged by one Party, in whole or in part, by a waiver or renunciation of the claim or right unless in writing signed by the other Party, (b) no waiver that may be given by a Party will be applicable except in the specific instance for which it is given; and (c) no notice to or demand on one Party will be deemed to be a waiver of any obligation of such Party or of the right of the Party giving such notice or demand to take further action without notice of demand as provided in this Agreement or the documents referred to in this Agreement.

Additionally, EBITDA shall be adjusted on a pro forma basis, in a manner reasonably acceptable to the Agent, to include, as of the first day of any applicable period, any acquisitions and dispositions of assets permitted under the Loan Agreement, including, without limitation, adjustments reflecting any non-recurring costs and any extraordinary expenses of any such permitted acquisitions and asset dispositions consummated during such period calculated on a basis consistent with GAAP and Regulations S-X of the SEC Act, or as approved by the Agent.

“**Facility A**” shall mean the revolving credit facility being extending pursuant to this Agreement on the basis of Eligible Billed Government Accounts Receivable, Eligible Billed Commercial Accounts Receivable and Eligible Foreign Accounts Receivable, in the maximum principal amount of the Facility A Commitment Amount, with a sub-limit of Five Million and No/100 Dollars (\$5,000,000.00) for Letters of Credit.

4. **Z-Tech Acquisition Consent.** The Agent and the Lenders hereby (a) consent to the acquisition by the Primary Operating Company of all of the issued and outstanding capital stock of Z-Tech, and (b) acknowledge that such acquisition shall not count against the dollar basket with respect to any Permitted Acquisition set forth in Section 7.1(d)(ii)(H) of the Loan Agreement, subject to the terms, covenants, agreements and conditions set forth in this Modification, including without limitation, the following:

(A) The Primary Operating Company shall have acquired all of the issued and outstanding capital stock of Z-Tech, free and clear of all liens, claims, encumbrances and any other restrictions or limitations on transfer thereof (other than Permitted Liens), and the Z-Tech Acquisition shall have been consummated in accordance with the Z-Tech Acquisition Agreement, subject to the grant of any waivers thereunder or modifications thereto (a copy of each of which shall be provided to the Agent and its counsel prior to the Borrowers’ use of any Loan proceeds for the Z-Tech Acquisition);

(B) Simultaneously with the Z-Tech Acquisition, Z-Tech shall have become joined to the Loan Agreement, the Notes and the other Loan Documents as a “Borrower” thereunder by executing this Modification and all other documents, instruments and agreements requested by the Agent and the Lenders in connection therewith;

(C) The Borrowers shall have delivered to the Agent and its counsel, in form and substance satisfactory to the Agent and its counsel in all respects, each of the following items:

(i) a true, correct and complete copy of the fully executed Z-Tech Acquisition Agreement, together with all schedules and exhibits attached thereto and/or referenced therein and all other documents, instruments and agreements executed, issued and/or delivered in connection with the Z-Tech Acquisition;

(ii) the articles of incorporation (or comparable formation documents) of Z- Tech, together with all amendments thereto, recently certified by the applicable governmental authority of the jurisdiction of organization or incorporation;

(iii) the by-laws or operating agreements of Z-Tech, together with all amendments thereto, recently certified by a duly authorized corporate officer of Z-Tech;

(iv) corporate resolutions of the board of directors (or similar governing body) of Z-Tech, authorizing the execution and delivery of this Modification and related agreements, and the performance of the transactions contemplated hereby, together with an incumbency certificate, certified by a duly authorized corporate officer of Z-Tech;

(v) a recent good standing certificate issued by the jurisdiction of formation or incorporation of Z-Tech, together with recent foreign qualification certificates issued by the comparable state or country office where the nature of Z-Tech's business requires Z-Tech to be qualified to do business in such state or country;

(vi) recent judgment and tax lien search results of Z-Tech for each jurisdiction (county and state) where any assets of Z-Tech having a book value in excess of One Hundred Thousand and No/100 Dollars (\$100,000.00) are located, and where Z-Tech is organized, together with recent UCC search results for Z-Tech and each domestic Borrower from its jurisdiction of organization or incorporation brought down from August 1, 2006;

(vii) a duly executed and delivered joinder to contribution agreement from Z-Tech;

(viii) a pro forma quarterly covenant compliance/non-default certificate in the form attached as Exhibit 5 to the Loan Agreement, reporting results for the quarter ending March 31, 2007;

(ix) one or more opinions of counsel with respect to Z-Tech's execution and delivery of this Modification, the performance by Z-Tech of all transactions contemplated hereby (including, without limitation, the joinder of Z-Tech), the consummation of the Z-Tech Acquisition and such other matters as the Agent or its counsel may require;

(x) if necessary for availability purposes, a pro forma Borrowing Base/Non-Default Certificate, in the form attached as Exhibit 4 to the Loan Agreement, setting forth the Borrowing Base for the Borrowers and Z-Tech on a pro forma basis as of April 30, 2007, as if the Z-Tech Acquisition had been consummated on such date¹;

(xi) evidence of insurance and related certificates, including but not limited to, fire, hazard, extended coverage, product and other liability, workmen's compensation, business interruption, umbrella and key man insurance, in form and substance satisfactory to the Agent and its counsel in all respects.

¹ The parties hereto acknowledge and agree that Z-Tech's results will be included in the May 31, 2007 Borrowing Base Certificate/Non-Default Certificate.

(D) The Agent, for itself and for the ratable benefit of the Lenders, shall have been granted a valid, binding and enforceable first priority perfected lien and security interest (subject only to Permitted Liens) in and to (a) all assets of Z-Tech; and (b) all of the issued and outstanding capital stock or limited liability company interests (as applicable) of Z-Tech. In connection therewith, the Agent shall have received duly executed, undated stock powers and original stock certificates (if any); and

(E) On or prior to one (1) year from the date hereof, the Borrowers shall cause all primary cash collection accounts (each, a “**Primary Cash Collection Account**”) of Z-Tech to be maintained with the Agent, and all other primary bank accounts (each, a “**Primary Bank Account**” and together with the Primary Cash Collection Accounts, each a “**Covered Account**” and collectively, the “**Covered Accounts**”) of Z-Tech to be maintained with a Lender. On or prior to thirty (30) days from the date hereof, the Borrowers shall cause any third party depository institution maintaining a Primary Cash Collection Account of Z-Tech, to enter into a wire transfer arrangement with respect to such Primary Cash Collection Account, in form and substance reasonably satisfactory to the Agent; provided, however, that (a) in all events, all Covered Accounts shall be maintained solely with the Agent or a Lender (as applicable) on or prior to one (1) year from the date hereof, and (b) this Section shall not require Z-Tech to transfer any Covered Account that would not otherwise be covered by Section 6.8 of the Loan Agreement; and provided, further, that this Section shall not be construed to require Z-Tech to take or omit to take any action or transfer any Covered Account (individually and collectively, the “**Excluded Bank Accounts**”) that would violate any applicable laws or regulations (including, without limitation, ERISA). It is expressly agreed and understood that for so long as Z-Tech shall maintain any Covered Account (other than the Excluded Bank Accounts) with any depository institution other than the Agent or a Lender, then such Covered Account: (a) shall be used solely for the deposit/receipt of cash, checks and other remittances owing to Z-Tech from time to time; (b) shall be at all times, free and clear of any and all liens, claims and encumbrances (other than the security interest of the Agent granted hereby); and (c) shall secure the Obligations.

5. Joinder. Z-Tech is hereby joined as a party to and agrees to be bound by the terms and conditions of the Loan Agreement, the Notes and the other Loan Documents, to the same extent as if it were an original signatory thereto and originally named therein as a Borrower or Maker (as the case may be). Z-Tech hereby makes all of the representations and warranties set forth in the Loan Agreement (as modified or supplemented hereby) and each other Loan Document to which more than one (1) Borrower is a party thereto and grants to the Agent, for the ratable benefit of the Lenders, a valid and enforceable first priority security interest in and to all of its assets constituting Collateral, free and clear of all liens, claims and encumbrances (other than any liens expressly permitted pursuant to the Loan Agreement and liens approved in writing by the Agent). Z-Tech further acknowledges and agrees that it shall be jointly and severally liable for the performance of any and all past, present and future obligations of the Borrower(s) in connection with any of the Note(s), the Loan Agreement and/or the other Loan Documents; it being understood and agreed that any and all references in the Note(s), the Loan Agreement and/or the other Loan Documents to “the Borrower” shall mean Z-Tech, individually and/or collectively with all other Borrowers.

6. Exhibit Substitutions. Schedule 1 and Exhibit 4 attached to the Loan Agreement are hereby deleted in their entirety and Schedule 1 and Exhibit 4 attached hereto substituted in lieu thereof.

7. Updated Schedules. The Borrowers shall have delivered to the Agent and its counsel, in form and substance satisfactory to the Agent and its counsel in all respects, updated schedules to the Loan Agreement, all of which shall be attached and be deemed a part of the Loan Agreement.

8. Expenses. The Borrowers shall have paid to the Agent (for the ratable benefit of the Lenders) in immediately available funds, an upfront fee in the amount of Forty-five Thousand and No/100 Dollars (\$45,000.00), which, each of the Borrowers acknowledge, has been fully earned as of the date hereof. The Borrowers shall also pay all of the Agent's costs and expenses associated with this Modification and the transactions referenced herein or contemplated hereby, including, without limitation, the Agent's reasonable legal fees and expenses.

9. Conditions Precedent. As a condition precedent to the effectiveness of this Modification, the Agent and its counsel shall have received the following, each in form and substance satisfactory to the Agent and its counsel in all respects: (a) a fully executed copy of this Modification; and (b) such other documents, instruments, certificates of good standing, corporate resolutions, limited liability company consents, UCC financing statements, opinions, certifications, schedules to be attached to the Loan Agreement and agreements as the Agent may reasonably request, each in such form and content and from such parties as the Agent shall require.

10. Miscellaneous.

(i) Each Borrower hereby represents, warrants, acknowledges and agrees that as of the date hereof (i) there are no set-offs, defenses, deductions or counterclaims against and no defaults under any of the Notes, the Loan Agreement or any other Loan Document; (ii) no act, event or condition has occurred which, with notice or the passage of time, or both, would constitute a default under any of the Notes, the Loan Agreement or any other Loan Document; (iii) all of the representations and warranties of the Borrowers contained in the Loan Agreement are true and correct as of the date hereof (except to the extent that such representations and warranties expressly relate solely to an earlier date), unless the Borrowers are unable to remake and redate any such representation or warranty, in which case the Borrowers have previously disclosed the same to the Agent and the Lenders in writing, and such inability does not constitute or give rise to an Event of Default; (iv) all schedules attached to the Loan Agreement with respect to any particular representation and warranty of the Borrowers set forth in the Loan Agreement (as modified) remain true, accurate and complete; (v) all accrued and unpaid interest and fees payable with respect to the Loan have been paid; and (vi) there has been no material adverse change in the business, property or condition (financial or otherwise) of the Borrowers since the date of the most recent financial statements listed on Schedule 5.3.

(ii) The Borrowers, and their respective representatives, successors and assigns, hereby jointly and severally, knowingly and voluntarily RELEASE, DISCHARGE, and FOREVER WAIVE and RELINQUISH any and all claims, demands, obligations, liabilities, defenses, affirmative defenses, setoffs, counterclaims, actions, and causes of action of whatsoever kind or nature, whether known or unknown, which they have, may have, or might have or may assert now or in the future against the Agent and/or the Lenders directly or indirectly, arising out of, based upon, or in any manner connected with any transaction, event, circumstance, action, failure to act, or occurrence of any sort or type, in each case related to, arising from or in connection with the Loan, whether known or unknown, and which occurred, existed, was taken, permitted, or begun prior to the date hereof (including, without limitation, any claim, demand, obligation, liability, defense, counterclaim, action or cause of action relating to or arising from the grant by the Borrowers to the Agent and/or the Lenders of a security interest in or encumbrance on collateral that is, was or may be subject to, or an agreement by which the Borrowers are bound and which contains, a prohibition on further mortgaging or encumbering the same). The Borrowers hereby acknowledge and agree that the execution of this Modification by the Agent and the Lenders shall not constitute an acknowledgment of or an admission by the Agent and/or the Lenders of the existence of any such claims or of liability for any matter or precedent upon which any liability may be asserted.

(iii) Except as expressly set forth herein, nothing contained in this Modification is intended to or shall otherwise act to nullify, discharge, or release any obligation incurred in connection with the Notes, the Loan Agreement and/or the other Loan Documents or to waive or release any collateral given by any Borrower to secure the Notes, nor shall this Modification be deemed or considered to operate as a novation of the Notes, the Loan Agreement or the other Loan Documents. Except to the extent of any express conflict with this Modification or except as otherwise expressly contemplated by this Modification, all of the terms and conditions of the Notes, the Loan Agreement and the other Loan Documents shall remain in full force and effect, and the same are hereby expressly approved, ratified and confirmed. In the event of any express conflict between the terms and conditions of the Notes, the Loan Agreement or the other Loan Documents and this Modification, this Modification shall be controlling and the terms and conditions of such other documents shall be deemed to be amended to conform with this Modification.

(iv) If any term, condition, or any part thereof, of this Modification, the Loan Agreement or of the other Loan Documents shall for any reason be found or held to be invalid or unenforceable by any court or governmental agency of competent jurisdiction, such invalidity or unenforceability shall not affect the remainder of such term, provision or condition nor any other term, provision, or condition of this Modification, the Loan Agreement and the other Loan Documents, and this Modification, the Loan Agreement and the other Loan Documents shall survive and be construed as if such invalid or unenforceable term, provision or condition had not been contained therein.

(v) Each Borrower acknowledges that, at all times prior to and through the date hereof, the Agent and the Lenders have acted in good faith and have conducted themselves in a commercially reasonable manner in their relationship with such Borrower in connection with this Modification and in connection with the obligations of the Borrowers to the Agent and the Lenders under the Loan; the Borrowers hereby waiving and releasing any claims to the contrary.

(vi) Each Borrower, Lender and the Agent hereby acknowledges and agrees that, from and after the date hereof, all references to the "Loan Agreement" set forth in any Loan Document shall mean the Loan Agreement, as modified pursuant to this Modification and any other modification of the Loan Agreement dated prior to the date hereof.

(vii) Each Borrower hereby represents and warrants that, as of the date hereof, such Borrower is indebted to the Lenders in respect of the amounts due and owing under the Notes, all such amounts remain outstanding and unpaid and all such amounts are payable in full, without offset, defenses, deduction or counterclaim of any kind or character whatsoever.

(viii) Each Borrower acknowledges (a) that it has participated in the negotiation of this Modification, and no provision of this Modification shall be construed against or interpreted to the disadvantage of any party hereto by any court or other governmental or judicial authority by reason of such party having or being deemed to have structured, dictated or drafted such provision; (b) that it has had access to an attorney of its choosing in the negotiation of the terms of and in the preparation and execution of this Modification, and it has had the opportunity to review, analyze, and discuss with its counsel this Modification, and the underlying factual matters relevant to this Modification, for a sufficient period of time prior to the execution and delivery hereof; (c) that all of the terms of this Modification

were negotiated at arm's length; (d) that this Modification was prepared and executed without fraud, duress, undue influence, or coercion of any kind exerted by any of the parties upon the others; and (e) that the execution and delivery of this Modification is the free and voluntary act of such Borrower.

(ix) This Modification shall be governed by the laws of the Commonwealth of Virginia (without regard to conflict of laws provisions) and shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

(x) This Modification may be executed in any number of counterparts, each of which shall be deemed an original and all of which together shall be deemed one and the same instrument. Signature pages may be exchanged by facsimile or electronic mail and each party hereto agrees to be bound by its facsimile signature and/or pdf signature.

ICF International Acquires Z-Tech Corporation

Transaction Increases Firm's Footprint in Public Health and Health IT Services

FAIRFAX, Va. (June 28, 2007) – ICF International (NASDAQ: ICFI) today announced it has acquired Z-Tech Corporation (Z-Tech), an approximately 200-person firm that provides software engineering, Web design and development, and scientific computing services in support of federal health agencies. The purchase price included a US\$27 million cash payment at closing and an additional \$8 million in potential earn-out payments. ICF International expects Z-Tech to generate annual revenues of approximately \$25 million going forward and for the acquisition to be immediately accretive to earnings.

The acquisition of Z-Tech positions ICF as a leader in the high-growth market of health information technology. By combining Z-Tech's technology and program support expertise with ICF's established presence in health communications, policy, and clearinghouses, the company gains a significant business edge in serving the large federal health care market, which is estimated at more than \$25 billion.

Z-Tech primarily provides services to the five main agencies of the U.S. Department of Health and Human Services, including the National Institutes of Health, Centers for Disease Control and Prevention, U.S. Food and Drug Administration, Substance Abuse and Mental Health Services Administration, and Centers for Medicare and Medicaid Services.

“This transaction illustrates one key element of our growth strategy—to expand our capabilities into key high growth markets through the strategic acquisition of top quality, well-managed companies that enhance the solutions we can offer our clients,” said Sudhakar Kesavan, chief executive officer at ICF. “In addition to significantly enhancing our IT capabilities, Z-Tech brings established client relationships within the agencies of the Department of Health and Human Services that give ICF important inroads to developing major new business opportunities.”

“We are pleased to have found a firm with a like mission to do meaningful work that improves the quality of life, and one with a similar commitment to public health,” said Verl Zanders, founder of Z-Tech. “ICF’s established reputation in federal, state, and local contracting and broad geographic presence offers unparalleled opportunities and outlets for many services across the suite of Z-Tech capabilities.”

Z-Tech, headquartered in Rockville, Md., specializes in software engineering and systems integration, scientific computer modeling and simulation, bioinformatics and genomics, Web design and development, public health research and policy support, and grants management systems in the health sciences and scientific support communities. Its multidimensional approach to business focuses on the application of its technology capabilities as fundamental across all functional service areas to provide the optimum and total solution to its clients. Its principals and senior staff have in-depth experience and understanding of business practices within the federal government. The present management team and employees will remain with the company following the completion of the transaction.

BB&T Capital Markets | Windsor Group acted as financial advisor to Z-Tech.
