

ICF Named Appian Trusted Delivery Partner of the Year in the Public Sector

November 17, 2021

Award Recognizes Company for Consistent Delivery of Complex Platform Implementations

FAIRFAX, Va., Nov. 17, 2021 /PRNewswire/ -- ICF (NASDAQ:ICFI), a global consulting and digital services provider, was [recently named](#) the Appian 2021 Trusted Delivery Partner in the Public Sector for consistent delivery of complex implementations built on the Appian Low-Code Platform and growth of its Appian public sector practice.

"A trusted delivery partner since 2012, ICF's solutions are high quality and high impact, designed to address the specific needs of the public sector," said Bruce Triner, Appian vice president for public sector. "ICF continues to innovate and extend its application of the Appian platform, bringing technical tools and expertise that accelerate the most complex enterprise implementations. The team's investments continue to advance our relationship and improve the quality of the solutions they deliver."

A [premier Appian partner](#), ICF has one of the largest Appian practices in the public sector. The company has successfully delivered many of the platform partner's largest federal implementations, including its largest. ICF's current Appian-related projects include work for clients such as the U.S. Department of Transportation, the U.S. Department of Labor and the U.S. Department of Health and Human Services, to name a few.

"The Appian platform combined with ICF's deep domain expertise allows us to provide new and legacy clients with new ways of working, using low-code technology and hyper-automation to accelerate delivery of their missions," said Mark Lee, executive vice president and public sector lead. "We have built partnerships with some of the strongest platform providers in the federal space, like Appian. We are heavily invested in continuing to grow these relationships and ensure agencies have cost-effective, scalable solutions to meet their digital transformation needs."

ICF was also awarded Appian's 2021 Public Sector Solutions Cup for its delivery of an efficient and effective financial examiner platform. ICF was the only large, premier Appian partner to receive this distinction.

ICF works with platform partners and practices in digital products, advanced analytics and automation to deliver responsive, scalable solutions that achieve clients' mission outcomes. Read more about our [digital transformation](#) services and [technology partnerships](#).

About ICF

ICF is a global consulting services company with approximately 7,500 full- and part-time employees, but we are not your typical consultants. At ICF, business analysts and policy specialists work together with digital strategists, data scientists and creatives. We combine unmatched industry expertise with cutting-edge engagement capabilities to help organizations solve their most complex challenges. Since 1969, public and private sector clients have worked with ICF to navigate change and shape the future. Learn more at [icf.com](#).

Caution Concerning Forward-looking Statements

Statements that are not historical facts and involve known and unknown risks and uncertainties are "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. Such statements may concern our current expectations about our future results, plans, operations and prospects and involve certain risks, including those related to the government contracting industry generally; our particular business, including our dependence on contracts with U.S. federal government agencies; our ability to acquire and successfully integrate businesses; and the effects of the novel coronavirus disease (COVID-19) and related federal, state and local government actions and reactions on the health of our staff and that of our clients, the continuity of our and our clients' operations, our results of operations and our outlook. These and other factors that could cause our actual results to differ from those indicated in forward-looking statements that are included in the "Risk Factors" section of our securities filings with the Securities and Exchange Commission. The forward-looking statements included herein are only made as of the date hereof, and we specifically disclaim any obligation to update these statements in the future.
