ICF Awarded Over $210 Million in European Contracts

March 3, 2025

European Commission and the Government of the United Kingdom Select Company to Provide Technology-Enabled Services

RESTON, Va., March 3, 2025 /PRNewswire/ -- ICF (NASDAQ:ICFI), a global consulting and digital services provider, is pleased to announce two significant wins with a combined ceiling value of over $210 million, one with the European Commission and the other with the U.K. Government. The contracts were awarded in the first quarter of 2025 and fourth quarter of 2024. Both have a four-year period of performance.

These contracts highlight the company's growing momentum in the European market. As projects are awarded, ICF will leverage industry-leading services in policy analysis, communications, research and evaluation, as well as technology, digital engagement and advanced analytics solutions.

"ICF's recent awards in the European market highlight our ability to deliver cutting-edge solutions that address complex challenges for clients," said Tobias Schaefer, ICF senior vice president for Europe and Asia. "Our strategic investments and commitment to innovation have positioned us well to support a varying, growing range of international sectors, and we look forward to driving tangible impact and results."

With offices in London, Brussels and other locations across Europe and Asia, ICF collaborates with international governments, businesses and organizations to deliver innovative solutions that cross multiple disciplines and borders. The company designs and implements transformative projects worldwide across a wide range of industries including energy, disaster management, environment and infrastructure, IT modernization, digital transformation, health and more.

ICF's balanced portfolio continues to enable the company to capture growth opportunities across its client set, driven by increasing demand for multidisciplinary services. By seamlessly integrating deep industry expertise with cutting-edge technology, ICF delivers tailored, high-impact solutions that fuel sustainable growth, long-term success and meaningful outcomes for clients.
