

ICF International Announces Pricing of Its Initial Public Offering

September 27, 2006

FAIRFAX, VA, September 27, 2006 — ICF International, Inc., a consulting and technology services firm, announced today that its initial public offering of 4,670,000 shares of its common stock, of which 3,659,448 shares are being sold by ICF International and 1,010,552 shares are being sold by certain stockholders of ICF International, was priced at \$12.00 per share. The common stock will begin trading tomorrow on The Nasdaq Global Select Market under the symbol "ICFI". The underwriters have a 30-day option to purchase up to an additional 700,500 shares from ICF International to cover over-allotments, if any. ICF International will not receive any of the proceeds from the sale of shares by the selling stockholders.

UBS Securities LLC is acting as sole book-running manager for the offering, with Stifel, Nicolaus & Company, Incorporated acting as joint lead manager for the offering. William Blair & Company, L.L.C. and Jefferies Quarterdeck, a division of Jefferies & Company, Inc., are acting as co-managers. A copy of the final prospectus related to this offering may be obtained from UBS Investment Bank, ECMG syndicate Desk, 299 Park Avenue, New York, New York 10171 or by contacting Stifel Nicolaus, Syndicate Desk, 1 Financial Plaza, 501 North Broadway, St. Louis, Missouri 63102.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities in any state or jurisdiction in which the offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

ICF International partners with government and commercial clients to deliver consulting services and technology solutions in the energy, environment, transportation, social programs, defense, and homeland security markets. The firm combines passion for its work with industry expertise and innovative analytics to produce compelling results throughout the entire program life cycle, from analysis and design through implementation and improvement. Since 1969, ICF has been serving government at all levels, major corporations, and multilateral institutions. More than 1,800 employees serve these clients worldwide.
