

ICF International Completes Acquisition of Marbek Resource Consultants Ltd.

January 5, 2011

Acquisition Enhances ICF Reach into Canadian Energy, Environment, and Climate Change Markets

FAIRFAX, Va., Jan 05, 2011 (BUSINESS WIRE) --

ICF International (NASDAQ:ICFI) announced today that it has closed the acquisition of Marbek Resource Consultants Ltd., a leading Canadian energy and environmental consulting firm. The acquisition of Marbek creates a fully integrated energy, climate, and environmental consultancy with a strong footprint in Canada that strengthens the combined firm's position as a leading player in energy efficiency, renewable energy, and pollution prevention programs. The present Marbek management team and employees will remain with the company.

McGrath North Mullin & Kratz, PC LLO acted as ICF's legal counsel for the transaction. RSM McGladrey, Inc., conducted financial and tax due diligence.

Based in Ottawa and founded in 1983, Marbek has an outstanding reputation as one of the leading environment and energy management consulting firms in Canada, providing policy, program, technical, and management advisory services to Canadian and international clients. Marbek develops solutions to the resource and environmental challenges confronting government and commercial clients by offering multi-disciplinary expertise and experience to its clients, which include federal, provincial, and municipal government departments; energy utilities and companies; industry and industry associations; research agencies; development banks; and non-governmental organizations.

About ICF International

ICF International (NASDAQ:ICFI) partners with government and commercial clients to deliver professional services and technology solutions in the energy and climate change; environment and infrastructure; health, human services, and social programs; and homeland security and defense markets. The firm combines passion for its work with industry expertise and innovative analytics to produce compelling results throughout the entire program life cycle, from research and analysis through implementation and improvement. Since 1969, ICF has been serving government at all levels, major corporations, and multilateral institutions. More than 3,500 employees serve these clients worldwide. ICF's Web site is <http://www.icfi.com>.

Caution Concerning Forward-looking Statements

Statements that are not historical facts and involve known and unknown risks and uncertainties are "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. Such statements may concern our current expectations about our future results, plans, operations and prospects and involve certain risks, including those related to the government contracting industry generally; our particular business, including our dependence on contracts with U.S. federal government agencies; and our ability to acquire and successfully integrate businesses. These statements include those that refer to ICF's current expectations about the acquisition of Marbek. Although ICF believes its expectations are based on what management believes to be reasonable assumptions, it cannot assure the expectations reflected in this document will be achieved as they are subject to risks and uncertainties that are difficult to predict and may be outside of ICF's control. Such risks and uncertainties include the possibility that the benefits anticipated from the Marbek acquisition will not be fully realized and other risks in connection with the transaction. Other factors that could cause our actual results to differ from those indicated in forward-looking statements are included in the "Risk Factors" section of our securities filings with the Securities and Exchange Commission. The forward-looking statements included herein are only made as of the date hereof, and we specifically disclaim any obligation to update these statements in the future.
