### About ICF International

ICF International (NASDAQ:ICFI) partners with government and commercial clients to deliver professional services and technology solutions in the energy, environment, and infrastructure; health, social programs, and consumer/financial; and public safety and defense markets. The firm combines passion for its work with industry expertise and innovative analytics to produce compelling results throughout the entire program lifecycle, from research and analysis through implementation and improvement. Since 1969, ICF has been serving government at all levels, major corporations, and multilateral institutions. More than 4,500 employees serve these clients from more than 60 offices worldwide. ICF's website is <http://www.icfi.com>.

### Caution Concerning Forward-looking Statements

*Statements that are not historical facts and involve known and unknown risks and uncertainties are "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. Such statements may concern ICF's current expectations about its future results, plans, operations and prospects and involve certain risks, including those related to the government contracting industry generally; ICF's particular business, including its dependence on contracts with U.S. federal government agencies; and its ability to acquire and successfully integrate businesses. These and other factors that could cause ICF's actual results to differ from those indicated in forward-looking statements are included in the "Risk Factors" section of ICF's securities filings with the Securities and Exchange Commission. The forward-looking statements included herein are only made as of the date hereof, and ICF specifically disclaims any obligation to update these statements in the future.*
