

ICF International Wins \$14.6 Million Contract with U.S. Environmental Protection Agency

September 24, 2013

Contract Supports Homeland Security Presidential Directive 12 and Identity, Credential, and Access Management

FAIRFAX, Va.--(BUSINESS WIRE)--Sep. 24, 2013-- ICF International (NASDAQ:ICFI), a leading provider of consulting services and technology solutions to government and commercial clients, has been awarded a re-compete contract with the U.S. Environmental Protection Agency (EPA) for Homeland Security Presidential Directive 12 (HSPD-12) and Identity, Credential, and Access Management (ICAM) support. The contract has a value of \$14.6 million and a term of one base year and four option years.

Under this contract, ICF will continue to support EPA across a broad range of activities, including identity management; Personal Identity Verification (PIV) smart card lifecycle management; PIV systems management; privacy and security; physical access control systems; and ICAM implementation to ensure that the architecture, milestones, and implementation approaches are leveraged to attain greater interoperability, access provisioning and de-provisioning, and security.

"We are excited to have the opportunity to continue to support EPA's important work for HSPD-12 and ICAM," said [Bill Jacob](#), senior vice president for ICF International. "The relationships we've developed with EPA stakeholders will allow us to focus on the increased use of the credential's electronic capabilities."
