

ICF International Awarded \$20 Million Blanket Purchase Agreement by U.S. Environmental Protection Agency

April 29, 2016

ICF to Continue to Support EPA's Efforts on Emissions Efficiency

FAIRFAX, Va.--(BUSINESS WIRE)--Apr. 29, 2016-- ICF International (NASDAQ:ICFI), a leading provider of professional services and technology-based solutions to government and commercial clients, was recently awarded a new multiple-award blanket purchase agreement with the U.S. Environmental Protection Agency (EPA). The contract has a value of \$19.8 million and a term of five years, including one base year and four one-year options.

ICF will continue to provide technical and analytical support to help EPA develop and implement programs designed to promote emissions efficiency, evaluate new technologies and alternatives and ensure that information on cost-effective and sustainable solutions are made available domestically and internationally.

ICF combines world-class environmental with a broad range of multi-disciplinary capabilities to support EPA in the following areas: policy and program analysis and development; environmental, technical, economic, regulatory, health and safety and market feasibility analyses; modeling and computer systems development; rulemaking support; and communications and outreach.

"Over the past decade, EPA has continued to be a driving force for implementation of emissions efficiency at home and abroad," said [Mark Wagner](#), senior vice president for ICF International. "ICF is pleased to have contributed to this success and we look forward to continuing to provide innovative and forward-thinking counsel to EPA as its mission and programs evolve."
