**Item 7.01 Regulation FD Disclosure**

ICF International, Inc. (the "Company") previously reported that, on June 10, 2016, the State of Louisiana, through the Division of Administration, filed suit in Louisiana state court broadly alleging breach of contract by ICF Emergency Management Services, L.L.C. ("ICF"), a subsidiary of the Company. In the litigation, the State alleged that ICF breached its contract with the Louisiana Office of Community Development in connection with the Road Home Program, which was established in 2006 with the primary intention of helping homeowners and landlords of small rental properties affected by Hurricanes Rita and Katrina.

ICF and the State have now resolved all matters related to the litigation and the Road Home Program. As a result of the resolution and consistent with the position maintained by the Company, the Company expects that the resolution of this matter will be immaterial to its financial statements.

The information contained in this report is considered to be "furnished" and shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to liability under that Section. The information in this Current Report shall not be incorporated by reference into any filing or other document pursuant to the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such filing or document.
